Professional Overview

HCMP senior principal Melody McCutcheon unexpectedly passed away on November 14, 2017. Over her career, Melody assisted clients with due diligence and entitlements for a broad range of Seattle development projects. She headed the teams for dozens of sites, with a special focus on Downtown, South Lake Union, First Hill, and other growing neighborhoods. Members of our Land Use group are continuing Melody's practice in these areas. Please contact practice group chair [Ryan Durkan](#) or [Holly Golden](#) for assistance.
