

Arbitration and Mediation

Our trial lawyers are skilled in arbitration and mediation. We represent clients in arbitrations of all kinds – under the auspices of the American Arbitration Association, FINRA, or any of the myriad of other dispute resolution organizations.

Our skills in negotiating settlements directly with opposing parties, or through mediation, are unparalleled.

We also serve as mediators and arbitrators in complex matters of all types – both local and across the country – with a reputation for evenhandedness that is widely recognized.
